

and I have no objection to that. Perhaps something constructive can come of it. In any event, we've certainly spent a lot of time on it, and in an effort to avoid more wasted time, I agree to the bracket motion and will sit down one more time and see if we can't work this out. Thank you.

SPEAKER WITHEM: Given that statement, bracket motions can either be voted upon or handled by unanimous consent. Let me see, is there an objection to the bracket motion? Hearing none, LB 737 is bracketed until February 1 of 1994. Next item, Mr. Clerk.

CLERK: Mr. President, the next item, LB 254, Senator McKenzie, I have Enrollment and Review amendments pending. Senator McKenzie, E & R amendments, Senator.

SPEAKER WITHEM: The Chair recognizes Senator McKenzie for the E & R amendments to LB 254.

SENATOR MCKENZIE: Mr. Speaker, I would move the E & R amendments be added to LB 254.

SPEAKER WITHEM: The motion is the adoption of the E & R amendments to LB 254. All in favor say aye. Opposed. They are adopted.

CLERK: Mr. President, Senator McKenzie and Kristensen would move to amend with AM2768. It is found on page 379 of the Journal.

SPEAKER WITHEM: The Chair recognizes Senator McKenzie.

SENATOR MCKENZIE: Thank you, Mr. Speaker. This amendment is rather technical or just technical in nature. It clarifies within LB 254 that after "state" we insert "and of the political subdivision which employs the law enforcement officer." So that we are clear that we are asking a political subdivision to be the area, and the second one is after "outside" we insert "the boundaries of any" so that we have identified that we are talking about outside the boundaries of that political subdivision. I would yield the rest of my time to Senator Kristensen if he'd like to add any comments.

SPEAKER WITHEM: Senator Kristensen.
